1st Sgt. Carlos N. Saenz
Killed in action on May 5, 2006
Operation Iraqi Freedom

Carlos will be forever missed by his family and friends. He was the epitome of a soldier, and his sacrifice was made doing exactly what he wanted to do. We will forever remember his character, loving kindness, straightforward approach, and love for his country. He was honored to be an American soldier, and his family and friends know the legacy he leaves behind while serving in a profession where “all give some, but some give all.”

Our thoughts and prayers are also with those families who have lost a loved one who, like Carlos, were serving their country. We will also keep in our hearts those who are still serving their country. God Bless them one and all.
